

FRONT GRADING BUCKET

FRONT GRADING BUCKET

A product of high quality which is fitted for tough ground conditions. By listening to the demand on the market, we have designed this optimal bucket. The front grading bucket has got a sharp edge at its back for the best results by flattening grounds. The bottom is made of Hardox 450 which makes it durable.

ABL CE, can in this range as standard offer different sizes. Widths from **2200mm** to **3100mm** and depths from **1250mm** to **1450mm**. Spill guards on more robust buckets and also a connection for a quick coupler.

Options

- Cutting bars
- Fixed attachment (Pin On)
