Warranty

- ABL provides a 12-month, or 2000-hour warranty, whichever comes first.
- This warranty does not apply to third parties.
- Wear parts and details are not included in the warranty.
- Warranty does not apply if own modifications or repairs have been made without ABL's consent.
- Warranty does not apply if the product has been used incorrectly, or in a way it is not intended for.
- Warranty does not apply if the product is not maintained according to instructions.
- Warranty does not apply if the product has been used after the discovery of defects, without ABL's consent.

Damage discovered

- As soon as an error is discovered, ABL must be notified for consultation in the case.
 - Contact ABL at <mailto:info@abl.se> or your machine dealer.
- The product may not be used before the fault has been rectified without ABL's consent.

Solution

- ABL decides whether the case goes under warranty.
- ABL decides how the product should be repaired.
- ABL decides together with the customer whether ABL will carry out the repair, or whether an external repairer will carry out the work. If an external repairer is to carry out the work, ABL must be contacted before the work is performed, and have ABL's consent.

ABL also complies with the General Terms and Conditions for Deliveries Maskin 03.
